

LOOKING FOR NEW **CHAMPIONS**

Experience the Trial World Championship in first person integrated in the OSSA ORT team!

Ossa Factory enters the 2013 season with a new Racing program addressing all the riders who wish to take part in the World Trial Championship (1). The Ossa Racing Team (ORT) will arrange everything for you enabling riders to participate in the World Trial Championship with no worries and enjoy riding the new OSSA obtaining the best results.

With this program we will provide you with the full Ossa Racing Team (ORT) support which includes technical and logistic service. You will have at your disposal 2 - TR280i Factory R's prepared and developed by the ORT as well as spare parts. The maintenance and the setup of the bikes, assistance and advice will be provided at all races. You will also have a bike for your minder (TR280i) and the official equipment of ORT.

For more information, prices and payment conditions send us your contact details and a brief resume / CV to: marketing@ossamotor.es

NOTE: There is limited capacity due to ORT structure. Last application date is November 30th 2012.

(1) Only valid for the World Trial Championship Outdoor Pro and Junior for men and women. This program includes the Trial of the Nations.

THE BIKE: New OSSA TR280i 2013 equipped 100% for competition at the highest level

THE TEAM: All the OSSA ORT structure in the world Championship will be at your service: mechanics, technicians, workshop, truck, hospitality ...
